

**GREENHOUSE GAS EMISSIONS REDUCTION FUND**  
**Quarterly Progress Report Form**

1. **Program Title:** Energy Audit of Town Buildings of Warner, NH
2. **Program Type:** Energy Audits
3. **Summary of work completed during this reporting period October 21, 2009 through January 31, 2010:**
  - Energy audits completed on all town buildings during November and December as proposed in this program – completed by Margaret Dillon
  - Audit report with findings and recommendations completed – completed by Margaret Dillon (contained in 2 \*.pdf files forwarded with this report)
  - Educational presentation at a public meeting sponsored by the Warner Board of Select on High Performance Buildings along with the highlights of the Warner Energy Audit – completed by Margaret Dillon
4. **Summarize work to be completed next quarter: February 1, 2010 – April 30, 2010**
  - Additional Consultation – used to confirm audit recommendations and estimates in support of our EECBG application covering a set of recommendations from the Warner Energy Audit
  - Purchase data loggers to help benchmark and monitor energy usage in town buildings.
5. **Jobs created:** none
6. **Obstacles encountered or any milestones not reached:** none
7. **Beyond the Contract:** We are attempting to leverage the Warner Energy Audit findings to fund some of the recommendations through applications for additional grants:
  - EECBG sponsored by the NH OEP
  - Preservation Planning Grant sponsored by the NH Preservation Alliance.
8. **Attachments:**
  - Warner Energy Audit – Part A
  - Warner Energy Audit – Part B
  - Energy Audit Presentation Poster
9. **Budget vs. Actual Expenditures:**
